

RePak Returnable Shipper

Our reusable poly shipping envelopes have an easy open, perforated tear strip and a second adhesive closure designed to allow the consumer to return items in the same envelope.

Step 1) Shipper peels off top strip

Step 2) Shipper inserts package or garment

Step 3) Shipper closes envelope, attaches shipping label and ships

Step 4) Customer opens by easily peeling away strip

Step 5) Customer re packs for return

Step 6) Customer peels off second strip

Step 7) Customer easily re seals envelope

Step 8) Customer closes envelope and attaches return label
